**STEPCon24: Shaping the Future of STEM in the Inland Empire**

*Inland Empire, CA* – September 20, 2024 – STEPCon, the region's premier STEM education event, returns in 2024 with three exciting conferences designed to inspire students, empower educators, and equip counselors. Celebrating its 25<sup>th</sup> Anniversary, STEPCon24 offers unique experiences for each group, featuring hands-on science, technology, engineering, and mathematics (STEM) education and exciting career opportunities in the Inland Empire.

This year, STEPCon24 will take place on October 10, November 6 and November 7 at the Bourns Technology Center in Riverside. The event will be divided into three conferences:

- 1. Student STEPCon – Inspiring the Next Generation of Innovators – October 10**  
As the highlight for young STEM enthusiasts, Student STEPCon delivers a hands-on, interactive experience for students from 4th grade through 12th grade. Participants will explore science experiments, engaging technology exhibits, and exciting roundtable discussions with STEM experts. This dynamic environment offers students a chance to meet one-on-one with college educators and industry professionals, discover future careers in STEM, and enjoy thrilling presentations and demonstrations from exhibitors across a variety of industries.
